

DECLARATION OF CONFIRMITY

Producer: Metaline OÜ
Register code: 10462380
Legal address: Kadaka tee 72a, 12618 Tallinn, ESTONIA
Production: Kadaka tee 72a, 12618 Tallinn, ESTONIA

Products:

Rectangular ducts and fittings

Product description:

Rectangular ducts and fittings made of sheet metal are used in the construction of ventilation systems of buildings. Standard products are made of hot-dip galvanized sheet steel. On special order, products are made also of aluzinc, acid-proof and stainless sheet steel.

Conformity of product:

- EVS-EN 1505:2001 Ventilation for buildings - Sheet metal air ducts and fittings with rectangular cross section - Dimensions
- EVS-EN 1507:2006 Ventilation for buildings - Sheet metal air ducts with rectangular section - Requirements for strength and leakage
- EVS-EN 10346:2009 Continuously hot-dip coated steel flat products - Technical delivery conditions
- EVS-EN 10088-2:2005 Technical delivery conditions for sheet/plate and strip of corrosion resisting steels for general and construction purposes
- The products meet the requirements provided in Regulation No. 49 (26.07.2013)
- The products are also suitable for use in the environmental conditions C1-C3 provided in standard ISO 9223:2012.

With the present declaration, we confirm and take responsibility that the products made by us meet the requirements established for them.

The declaration of conformity has been issued on: 30.06.2016

Ken Tomson
Managing Director
